RE: MOSIS Updates

Below are some updates on MOSIS developments.

Due Date: Our current goal is to have everyone certify the October Cycle by the end of December. The October Student Core file should have the highest priority.

11/17/2008 – Additional business rules were added to the Course/Student Assignment Collection.

11/20/2008 – Another webinar for MOSIS October/December reporting has been scheduled for December 5th, this is a repeat of the November 19th session and the session scheduled for December 3rd – register at <http://dese.mo.gov/MOSIS/training.html> The power point for this session is listed on the MOSIS website <http://dese.mo.gov/MOSIS/> and provides example of frequently asked questions and errors for the October Cycle.

11/20/2008 – The due date to pre-code for the LAS Link assessment (for LEP/ELL students) has been extended to November 25, 2008.

Districts Certified as of 11/20/2008 – 474 October Student Core, 440 Educator Core, 213 Course/Student Assignment
